Topics covered include:

- Communication
- Feelings
- Making Healthy Choices
- Resisting Negative Peer Pressure
- Healthy Friendships
- Goal Setting

**If you would like your child to participate, please complete the back of this form and return it with your child by the first day of the program.**

I am looking forward to having your child in group! If you have any questions, please contact me at the number below.

Sincerely,

Voices Facilitator

**Frequently Asked Questions**

**Why was my child chosen?**

A teacher felt that your child would benefit from the skills taught and would be a positive addition to the group. Participation in the program is voluntary; it is not punishment for bad behavior and does not necessarily indicate a problem at school.

**Is this a therapy group?**

No, **Voices** is not a therapeutic group. This life skills program promotes health and positive youth development. A trained facilitator, not a therapist, runs the group.

**Will this program get in the way of my child’s school work?**

No. When the program is held during school, the facilitator works with teachers to ensure the group meets at an appropriate time and your child stays on track in class. In addition, research shows that many of the skills taught in group support student’s academic success.
