

Financial Assistance Available for Qualified Snohomish County Residents Affected by COVID-19

VOAWW has received a limited amount of funding to distribute in support of certain Snohomish County residents economically impacted by COVID-19.

Priority will be given to families, disabled individuals, and seniors living in rural areas of Snohomish County.

East Snohomish County residents, please call our Sky Valley Resource Center at 360-793-2400.

All other Snohomish County residents, please call our Arlington Resource Center at 360-322-6988.

This assistance will not be available for individuals who have been through the Coordinated Entry program and have been assigned a Case Manager or Navigator.
